Dear Eugene:

Thank you for your interest in engaging in a Special Project for Feed The Children. I am pleased to tell you that I have been assigned to be your Project Coordinator. The assigned motivation number for your project is **9SEH00002**. The assigned account number is # **45209033**.

I understand that AccuFILEplus, iNC. would like to host a project to benefit Feed The Children. That is wonderful! We are extremely appreciative that you have chosen Feed The Children to receive \$7 from the prep fee on each online tax return prepared online with promo code for Feed The Children with the possibility of offering the promo code to walk-ins at all affiliate offices.

Please make sure you include your Special Project Number of **9SEH00002** on the memo line of the check when you send in funds or other correspondence to ensure they are properly credited to your project.

I will mail some brochures and pre-addressed envelopes that are made out to my attention. Please use these envelopes when you send in any funds or correspondence to ensure they are properly credited to your project. I hope that the materials will be of help to you. I have attached the FTC logo for you to use. The website address is www.feedthechildren.org. However, any printed materials using the name or logo of Feed The Children need to be pre-approved before distribution since our logo is trade-registered. **You can fax or e-mail me any proofs that you are considering to use for your project directly to my attention.**

There may be an opportunity for your project to be featured as a story on our Feed The Children Special Projects Web-Page. Throughout your project and/or upon its completion, please e-mail us electronic photos and a brief summary. We will contact you if it is chosen as a feature story.

Please feel free to contact me anytime with any questions or needs you may have. I wish you great success on your project and I look forward to serving with you and hearing from you soon.

Sincerely,

Glenna
